THE FLORIDA BAR

BOARD OF LEGAL SPECIALIZATION AND EDUCATION

October 15, 2004

Mr. Thomas P. Scarritt Jr.
Scarritt Law Group
1509 W. Swann Ave. Ste. 280
Tampa, Florida 33606-2557

Dear Mr. Scarritt:

We are pleased to advise your certification in Civil Trial Law has been renewed, effective June 1, 2004.

As intended by the Supreme Court of Florida in its adoption of board certification, you are recognized as a lawyer who has demonstrated "special knowledge, skills and proficiency" in civil trial law and you may represent yourself as a "specialist" in your field of practice.

As a board certified lawyer, you have a special responsibility above and beyond membership in The Florida Bar. The integrity of the Certification program depends in part upon the quality of its participants. The public is entitled to be assured that board certified lawyers are preeminent, both in competence and ethics. The Board of Legal Specialization and Education is committed to ensuring the maintenance of high standards and believes fully that the Certification program is a step toward encouraging professionalism and enhancing the image of all lawyers.

Your participation is an indication of your commitment to high standards in your practice. We congratulate you on earning recertification and welcome your comments, input and involvement.

Sincerely,

Hon. Ralph Artigliere
